Total Request (\$2,500 maximum): \$ _____

PLEASE ATTACH THE FOLLOWING:

- A curriculum vitae of **no more than three pages**.
- A concise description (**no more than two double-spaced pages**) of your proposed research project.
 1. Describe your project and explain its history, nature, scope and current status.
 2. State the importance of the project.
 3. State the proposed dates for the Fellowship, completion target date, and identify the expected outcome of the project; cite anticipated publications, papers, or performances.
 4. List materials in the Woody Guthrie Archives Collections that may be pertinent to your project and state how they will be used to further or complete it. Description of WGA Collections are available at: <http://www.woodyguthrie.org/foundation/findingaids.htm>
 5. If the proposed project will require additional research beyond the proposed Fellowship term, then specify additional study or research objectives that you will undertake to complete the project.
 6. List your scholarship publications, presentations, or performances within the past three years or name two individuals who can provide a professional assessment of your ability to complete the project as described (two confidential letters of recommendation).
- A list of sources, with amounts and dates, of any other funding (past, present, or future) awarded for your present project. Also, please list any other grants for which you may presently be applying.

Applicants are encouraged to direct questions about their proposal prior to submitting application materials to: fellowship@woodyguthrie.org

Applications should be postmarked no later than January 2, 2010 and mailed to:
